## OUR STAFF

Vauxhall Primary Health Care consists of 4 Partner GPs, 10 Associate GPs, 3 Practice Nurses, a Health Care Assistant, a Practice Manager, Assistant Practice Manager and a team of Reception and Administrative staff. Together we provide a full range of general practice services and run a number of specialist clinics. As a training practice, Vauxhall Primary Health Care have Registrars working as part of the team. A GP Registrar is a fully qualified, experienced doctor who is completing a further 3 years training in order to become a GP.
